TALENT MANAGERS REPORT

This season Gippsland Power won 8 games, lost 10, and finished 7th on the ladder. Included in the losses were five 3 point margins and one 14-point margin. The results confirmed that our team was very competitive with the best in the competition. We were disappointed to lose our Elimination Final. The Club continues to successfully nurture Gippsland's young football talent and we are delighted that two of our players were taken in the Nov. 24 AFL National Draft. There will be sizeable player turnover again in 2018 with 21 of last year's squad of 40 moving on.

This year, together was the introduction of the first Under 18 TAC Cup Gippsland Power Youth Girls program and is designed to integrate a U/18 girls TAC program on the same basis as the U/18 boys. The program has been set up to provide females with an elite pathway into the newly established AFL Women's League. Our girl's academy now boasts 40 of the most talented 13-18-year-old players from all over Gippsland. Although we are in our infancy, the development of our girls over a short period of time has been outstanding.

I thank our 2017 fourth year TAC Cup coach Leigh Brown who once again did an outstanding job in coaching and preparing our players for the future. Leigh has a strong relationship with the boys and with all of our staff members and he expertly managed our list throughout the season. He also made a vital contribution in his fourth season in the Development Manager role.

This year we also introduced Matt Ross to the role of High Performance Manager and Administration Assistant on Matt in a short time has had a huge impact on our operations.

I am thankful for the contributions afforded by our TAC Cup assistant coaches; Scott McDougal, Rhett McLennan and Peter Mongta. A big thank-you also to our professional medical team led by Club Doctor Wayne Thompson, physiotherapist Tamika Fasoli and Scott Simpson, dietitian Rebecca Gallo, our head trainer Kevin Evans and trainers Kevin Curran, Kelsey Buxton, Mark Harasisiuk and Neil Whitelaw and our masseurs Mandy Ellis and Mazz Jones. I am additionally most grateful for the contributions from our rehabilitation advisor Sebastian Fontaine and chaplain David Hobbs.

Gippsland Power's match day staff are vital to the smooth running of our TAC Cup games and I gratefully acknowledge the roles of team manager's Dylan Blyth and Brian Kinder, property steward Robbie Ross, runners Matt Ross and Alan Campbell, statisticians Bryan and Margaret Mitchell, social media officer Kate Mitchell, timekeeper Barbara Auldist, facilities Roger Knowles, electronic scoreboard attendant Malcolm Neal, gatekeeper Stan Morgan and umpires escort Peter Bates.

Congratulations to Callum Porter who was named in the 2017 TAC Cup team of the year and also won the Gippsland Power Best & Fairest award.

Gippsland Power's Aiden Quigley, Cody Henness and Changkuoth Jiath played for Vic.Country in the NAB AFL National U/18 Championships series conducted in Victoria, South Australia and West Australia. Vic. Metro won the Div.1 Championships and were victorious in each each of their 4 games. Vic.Country beat the Allies in a Round 1. win in the series.

Leo Connolly, Sam Flanders, Brock Smith, Mitchell Bentvelzen and Caleb Serong represented Gippsland power in the NAB AFL National U/16 championships, conducted on the Gold Coast. Sam Flanders and Caleb Serong were named All Australian from this carnival.

The Gippsland Power U/16 & U/15 boy's squads remain a vital element of our player development program. This season they respectively competed again in the Vic Country U/16 Championships at Morwell and Bendigo from March 25 to April 7 and the V/Line Cup U/15 Championships in the Latrobe Valley from Sept. 25 to Sept. 29. The U/16's had a 2 win and a loss and finished 2nd to Bendigo. Our U/15 Div.1 team a win and a loss in their allotted games whilst Div.2 had a win and a loss. My thanks to U/16 coach Rhett McLennan and U/15 coaches Rob. Reid (Div.1) and Rick Galea (Div.2) for their excellent coaching contributions and for preparing the boys for the development pathway.

The Gippsland Power girls representative side competed in the U/16 Youth Girls V/Line Cup carnival in the Latrobe Valley in the same week as the U/15 boy's teams. The girls had a win and a very competitive loss in both of their matches.

Off the field, the on-going assistance and co-operation afforded to Gippsland Power by Latrobe City Council is outstanding and I am most appreciative of their support. Thank you to our co-tenants the Morwell Football Netball Club and Carmel Gniel from the Morwell ladies committee for running the canteen at our home matches and during the V/Line Cup. I also acknowledge the co-operation we get from all of the leagues in Gippsland and their respective affiliate clubs.

Gippsland Power is extremely fortunate to have outstanding sponsorship support and I cannot thank each of our sponsors enough for their generosity. Whilst I particularly express my gratitude to our 3 major funders ENGIE, Colin Watson Motors and Warragul Linen Service I am also most grateful for the financial assistance from all of our contributors. A list of all of our sponsors is included in this Annual Report and I urge you all to support them where possible.

AFL Vic. and Gippsland Power and the other statewide U/18 competition teams are indebted to the TAC (Transport Accident Commission) for their generous sponsorship of the competition and I would like to acknowledge our appreciation.

We are also greatly appreciative of the guidance and assistance given to our Club by AFL Vic and their senior officers Steven Reaper, Paul Hamilton and Lee Fraser and their staff. We thank them for their commitment to the promotion and development of the game.

In closing I want to particularly thank the parents and players of all the boys and girls in all age groups who were involved with Gippsland Power this year. I know that our programs simply could not work without your co-operation and your huge commitments of time and travel. To all the TAC Cup players and parents who are leaving us this year I hope you will take some lasting memories with you and I wish you every success for the future.

COACHES REPORT 2017

After a tough draw in the first half to the season, which saw lots of travel including trips to Carlton, Bendigo, Williamstown, Sandringham and Healesville all in the space of 6 weeks we enjoyed the second half of the season with less travel. We closed out the home and away season by winning 4 of their last 5 games to finish the season in seventh position.

Week 1 of finals saw us come up against eventual premiers, Geelong Falcons. This is where our season came to an end. Although the final margin was not reflective of the players effort and commitment.

Congratulations to Callum Porter who was selected by the Western Bulldogs in the November 24 AFL National Draft.

This topped off an outstanding year for Callum who was also our Best and Fairest winner for season 2017.

We also congratulate Changkuoth Jiath for being selected as a Category B Rookie for Hawthorn through our 'Next Generation Academy' pathway with the Hawks. CJ is the first Gippsland Power player to be selected through our Academy pathway with Hawthorn.

We believe he will be the first of many and we thank the Hawthorn Football Club, especially Nathan Foley, for their time and commitment to creating and to continually developing and improving this pathway and our partnership.

Along with everyone at Gippsland Power I wish the two boys, long and successful AFL careers.

Looking back after my fourth-year coaching here at Gippsland Power, I view it as a successful one after making the finals and seeing two players now on AFL lists. We also saw nineteen bottom agers plus three U16 players all play for the club this season which bodes well for season 2018.

I would like to thank Peter Francis for his continued support throughout. Peter is the reason we as staff and the players are given the best environment to success and become the best people both on and off the field.

Peter, Matt Ross and Roger Knowles provide a great environment to work in each day as well as a great place for the players to come in to train hard and develop their craft.

My thanks to my dedicated assistant coaches Scott McDougal, Rhett McLennan and Peter Mongta, our U18 TAC Girls Coach Scott McDougal and his assistants, our U/16 boys coach Rhett McLennan and his assistants, our U/15 Vline boys coaches Rob Reid and Rick Galea and their assistants and finally Scott Armour our U16 Vline Girls coach and his assistants

A special mention must go to Scott McDougal (U18 TAC Girls Coach) and Rhett McLennan (U16 boys coach) who balanced their roles as Head Coaches for their respective teams with being Assistant Coaches for the U18 boys. Their time, commitment and effort to see all players improve was outstanding.

I would also like to acknowledge satellite group coaches Paul Anderson & Adrian Bromage (Bairnsdale), Scott Anderson & Adam Diamond (Sale), Peter Mongta & Daniel Brand (Churchill), Dean Duursma & Craig Reid (Leongatha) and Scott McDougal, Matt Ross & Duncan Ireland for their efforts in the pre-Christmas training period.

My thanks also goes to strength & conditioning coach Matt Ross; our medical team led by Wayne Thompson, Tamika Fasoli, Scott Simpson and Rebecca Gallo; trainers Kevin Evans, Kevin Curran, Kelsey Buxton, Mark Harasimiuk and Neil Whitelaw; masseurs Mazz Jones and Mandy Ellis; rehab. advisor Seb Fontaine; Club chaplain David Hobbs; statisticians Brian and Margaret Mitchell; social media rep. and photographer Kate Mitchell; team manager Dylan Blythe, runner Alan Campbell; property steward Robbie Ross; time keeper Barb Auldish; facilities caretaker Roger Knowles and all the support staff who played a role.

My special thanks also goes to the parents of all the players. They make big sacrifices of time and travel to ensure their sons get to play football at the highest possible level. I know it is a big commitment for the whole family so thank you for all your efforts. This year's parents would also have to be one of the closest and most vocal group of supporters I've had in my time here at Gippsland Power.

Finally, to the players, thank you for your commitment to the program, the club, each other and yourselves. I wish you all the very best for the future both on and off the field.

Next season promises to be another exciting one. I can't wait to continue working with and developing the boys who are eligible again and I am excited to see the next crop of boys coming through. I look forward to seeing you all again in 2018 - your continued support makes Gippsland Power the outstanding club it is.

Leigh Brown

2017 UNDER 15 BOYS and U/16 YOUTH GIRLS V / LINE CUP

Two Gippsland Power boy's teams and a girls' team competed in the annual U/15 boys and U/16 Youth Girls V/Line Cup series in the Latrobe Valley from Sept. 25 to Sept. 28 during the school holidays. Both programs initially began with an information day on 5th November 2016 followed by numerous practice sessions leading up to the championships. After a training program at Morwell throughout August & September, and an exhaustive selection process, final squads were selected to represent the Div.1 & Div.2 schoolboys and the youth girls. AFL Victoria and Gippsland Power F.C. both provided financial assistance for the 3 teams to enable them to compete against the best players from across the state. Both carnivals provided participants with valuable insight into the talented player pathway and an overview of what will be required of them at higher level. All the boys and the girls who represented the 3 sides this year are to be congratulated both for their on-field efforts and exemplary behavior before and during the carnival. We thank respective coaches Rob. Reid, Rick Galea and Scott Armour whose knowledge and enthusiasm got the best out of the 3 teams. Their coaching contributions will assist in the on-going improvement of the participants in the coming years. Gippsland Power Talent Manager Peter Francis and Development Manager / TAC Cup coach Leigh Brown assisted at all training program sessions and their expertise was most valuable. Special mention is also afforded to the parents of the players who travelled from all over Gippsland to give the boys and girls the opportunity to participate in the programs.

2017 GIPPSLAND AFL ACADEMIES

2017 saw the introduction of 12 elite under 12 and 14 academies in the Gippsland Region. A partnership was developed between Gippsland Power, AFL Gippsland, Hawthorn Football Club and the 6 junior leagues throughout the region. The junior leagues included: Warragul Junior Football League, Central Gippsland Junior Football League, South Gippsland Junior Football League, Traralgon & District Junior Football League, Bairnsdale & District Junior Football League and the Sale & District Junior Football League. The rationale behind the program was twofold one, was to improve and accelerate the skill and development of elite junior footballs and two, to up skill and develop junior coaches in the region.

Training for the Gippsland AFL Academies began with an information day at the Gippsland Power Centre of Excellence where the 360 selected boys received their training apparel and football. Training commenced in mid-February with 360 players training at 6 locations throughout Gippsland. All squads came together at Gippsland Power's Centre of Excellence in Morwell at the end of March to participate in fitness testing on the final day.

The Under 12 and Under 14 Gippsland AFL Academies will be continued in 2018 with the addition of an Under 13 Academy
