

## Downloading GameDay

Last Modified on 20/11/2018 3:05 pm AEDT

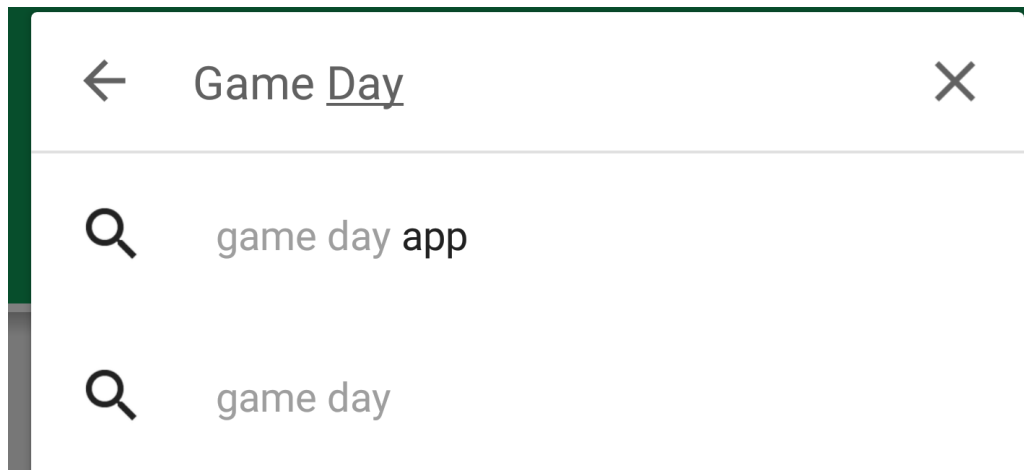

To Download GameDay on your Smartphone or Tablet, please see the following steps:

### Android

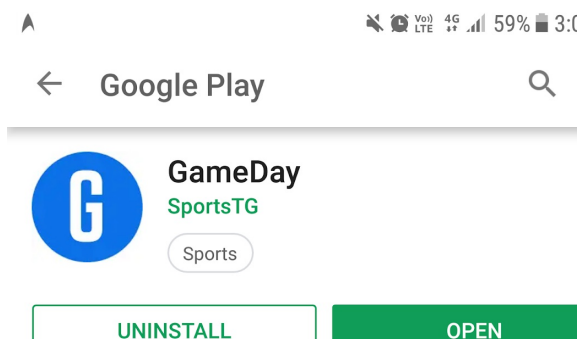

1. Open the Google Play Store from your device
2. From the Google Play Store homepage, type "GameDay" into the search bar

3. Select Game Day, SportsTG from the list of options

4. Select INSTALL from the application page

Once you have installed Game Day, please see our [Using GameDay](#) article, for operation instructions.

## iPhone

1. Open the App Store from your device
2. From the App Store homepage, select the Search icon

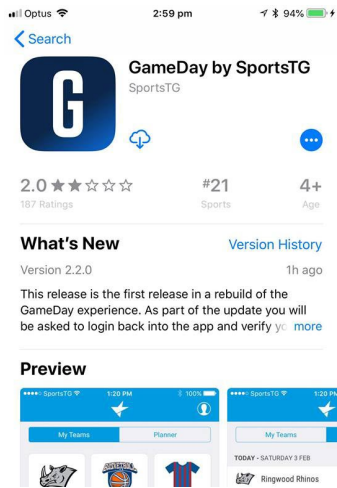

3. In the Search menu, enter "Game Day"

game day by sportstg
