Dear Members,

Basketball Tasmania has now recommended that all basketball competition should be suspended indefinitely. This is coming into effect Monday morning. The LBA has accepted this advice and we are suspending all LBA controlled training and competition programs until further notice. This includes our domestic roster, Representative programs, Academy and KW Basketball products.

The LBA will continue to follow the advice of our state and federal authorities and our governing body, Basketball Tasmania. Further updates will be provided as the situation and information develops.

Regards,
