

Netball Hutt Valley Junior Update July 2020

Welcome back to the courts for Term 3 Netball - it is exciting that we will (finally!) have all our Junior age groups back out on court this term.

All the dates and info about draws can be found on our website [HERE](#)

Has your umpire used the free [online umpiring resources](#) yet? There is a short module for 6v6 and also 7v7 available. Beginner umpiring tips and information are also on our [website](#).

Thanks to McDonald's Hutt Valley for their ongoing and generous support of Junior Netball. Player of the Day certificates have been given to teams in Year 5-8 and will be available for Year 3-4 on their first game day. A ball will be gifted to each team. These can be signed for at the registration office on game day.

This term, the team from Ten Cups Cafe (based in WNC) will also be running a cafe out of the kitchen in our yellow pavilion building. They will be selling hot drinks, and a range of tasty food items. You are welcome to make use of our indoor seating while at the courts, the door is next to the registration office.

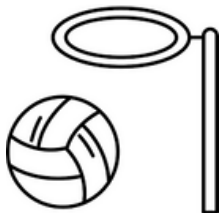

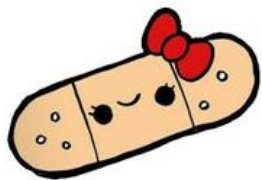

Our annual foodbank appeal will be held on Saturday 15 and Monday 17 August. Donations of non-perishable food items can be left at the registration office and will be donated to a local foodbank. Maybe your team would like to gather some items together at training, ready to donate?

There are several ways to give a 'shout out' to your amazing netball volunteers this season. You can enter them in our weekly Haier Fisher & Paykel prize draw at the office or nominate them for our Centre's Cadbury Volunteer of the Month competition.

Find out more about nominating a volunteer, and see a list of shout outs to those already nominated on our website [here](#).

Please remind your players that no jewellery may be worn for netball and earrings may NOT be taped. Medic alert bracelets may be taped, but no other adornments. Fingernails should be short and smooth and hair tied back.

Intermediate teams - please make sure a scorer from each team is provided and that they stand on the sideline together. Click on the goalpost for information on how to score a game of netball.

Year 5-6 teams - please complete the pink match card for each game to let us know how evenly matched the game was. This is important to help with grading the teams.

Our July Holiday Sessions sold out in all age groups. To see more photos of Year 1-8 Holiday sessions see our facebook album [here](#). Our next Junior Skills programme will be held in Term 4, when there will be 4 weeks of sessions after school on Wednesdays with our experienced coaches starting on 28 October. Registrations will open in August.

Local ANZ Premiership games are back! From 2 August onwards there are four local games you can attend. Tickets are available [here](#) if you are keen to enjoy some live top level netball action.

Congratulations to local umpire Gareth Fowler who recently celebrated 50 ANZ Premiership/Championship matches!

Congratulations to Sarah McLeod-Venu of Ulalei Wainuiomata Netball Club and Wainuiomata High School who has been selected for the Central Manawa National Netball League Training Squad!

Follow us on facebook to keep up to date this season. Click on the logo to visit our page. Any postponements will be advised via facebook. You can choose to subscribe to our events so that you don't miss any important dates!
