

Notes:-

Due to the range of Covid19 restrictions in force throughout 2020, and reinforced by Australian Sailing's "no sail" directives, no Spring Series Calendar was published for Oct – Dec 2020. The TBYC Committee Meeting 09/12/20, now informs that the club should proceed with planning for:-

1. A 2021 Summer Series, with all races to be held being Championship races.
2. The TBYC Annual Regatta to be held in conjunction with the Flying Dutchman National Titles on the 19th -21st February 2021.
3. Reintroduction of Sail Training program for juniors, commencing late Jan 21, exact timing TBA.

The Committee (with fingers crossed) will keep a close monitor on the current Covid19 situation, and update all members as soon as possible should changes to planned programs become necessary. All members are requested to maintain a regular watch on the TBYC Website at www.twofoldbayyc.sailing.org.au for updates to be posted under the **Home** Tab and **Regatta** Tab.

As a new Handbook will not be published for 2020 – 2021, Sailors should refer to the 2019 -2020 Handbook for Sailing Instructions, Notice of Race, & Courses to be sailed. 2019 - 2020 Handbook copies can be made available from stock on payment of ½ year club membership dues and may additionally be found published on the TBYC Website under the **Home** Tab.
